Dychmygu'n Dyfodol Imagining Our Future

Sgyrsiau am y celfyddydau yng Nghymru
Conversations on the arts in Wales

- Dros dri diaw, gwahoddwn gyfranogwyr i drafod argyfwng yr hinsawdd, celfyddydau dwyieithog, cydraddoldeb ac amrywiaeth a thrawsnewid y celfyddydau yn wyneb problemau byd-eang ymhlith pynciau eraill. Bydd yr ŵyl ar-lein yn cynnwys trafodaethau agored, teithiau tywys myfyriol a phethau eraill.
- Mae'n agored i bawb – artistiaid, cynhyrchwyr, cynulleidfaoedd, trefnwyr. Dewch at ein gilydd i lywio dyfodol ein celfyddydau. Dewch i rai digwyddiadau neu i bob un.
- Mae'n ŵyl rithiol, ddwyieithog a chynhwysol. Bydd cyfieithu i'r Arwydddeg a chyfieithu rhwng y Gymraeg a'r Saesneg. Os oes gennych anghenion hygyrchedd ychwanegol, ffoniwch 03301 242733 (ar gyfradd leol) neu anfonwch neges destun at 07797 800504 (ar gyfradd arferol i negeseuon testun).
- Over 3 days, participants are invited to join in discussions on issues such as the climate emergency, a bilingual arts sector, equality and diversity, and transformation of the arts in the face of increasing global challenges. The virtual festival includes everything from open discussions to guided meditation walks.
- It is open to everyone - from artists to producers, audiences to organisers. Come together to shape the future of the arts in Wales. Join some sessions or attend them all.
- This is a virtual, bilingual and inclusive festival. There will be BSL interpretation and Welsh to English simultaneous translation. If you have additional accessibility needs to participate in this event, please call 03301 242733 (all calls charged at local rates) or text 07797 800504 (standard text message rates apply).
